**Location: Spokane Club**

**When: Tuesday, November 11, 2025, 6 PM- 8:30 PM**

Heroes Awards Night commemorates **veterans** who demonstrate exceptional leadership qualities like courage, compassion, and selflessness in their community, workplace and/or family. Heroes make a profound difference in their communities leaving a lasting impact on others and inspiring positive change, embodying the spirit of heroism through selfless service. This event elevates individuals and organizations serving as a strategic tool to encourage growth and development within the veteran community.

In the historical setting of the Spokane Club, with red carpet treatment from the curb to the front door entrance, veteran awardees will be honored and appreciated from the moment they arrive. Upon arrival, a gracious welcome in the lobby with photo opportunity, will follow with a special award ceremony in the Georgian Grand Ballroom.

Our event host, Tim Pham, anchorperson for Krem 2 will graciously guide our evening. Additionally, special guest entertainment for the evening, along with American patriotic art and culture in a silent auction event that supports ongoing care programs of Heroes Homestead to further impact veterans to thrive and grow post military service.

Attendees will include community leaders, industry professionals, and the heroes' friends and family. Awardees are selected through community wide nominations and a panel selects the winners. Awardees will receive awards for community acts of leadership, workplace engagement and leadership as well as role models in the community. Actual categories and qualifications are listed on the event website. There will also be a Community Champion award to a foundational donor and partner to the work of Heroes Homestead.

Video and photography of the event will be available, and promotion of the 2025 awardees and our sponsors will be publicized on news stations, social media, and newspapers following the event. The awards are not just symbols of recognition but also a testament to the heroes' dedication and contributions following their service time.

While in-service they are recognized for their valiant effort, and as veterans they go on to lead this nation and here in Spokane and the state of Washington, we want to recognize their effort out of the uniform as well!
