alessandra@thediveverse.com

A journey through ocean, culture and island life

When designing this journey, we chose to focus on quality rather than quantity, following the philosophy that has always inspired our way of travelling.

This is your holiday, and our goal is not simply to show you Bali, but to help you experience it.

Bali is far more than a tropical destination. It is a unique blend of spirituality, breathtaking landscapes, vibrant traditions, welcoming people and a pace of life that invites you to slow down and appreciate every moment. For this reason, we have carefully designed an itinerary that combines underwater exploration, cultural discovery, relaxation and authentic local experiences.

To ensure the highest standards of organization, logistics and local knowledge, we are proud to collaborate with **Bali Secrets Diving Safari**, a well-established and highly respected operator with many years of experience in organizing diving and travel experiences throughout Bali. Their in-depth knowledge of the island, combined with our passion for creating memorable journeys, allows us to offer an experience that is both authentic and professionally managed.

Whether you are a diver or a non-diver, this journey has been created to allow everyone to share the experience together. While divers explore some of the world's most fascinating underwater environments, accompanying guests will discover temples, rice terraces, volcanic landscapes, traditional villages and the countless details that make Bali such a special place.

Throughout the trip, you will be personally accompanied by Ale, Lollo and the BSDS Leaders and guides.

We strongly believe that travelling with experienced hosts who know the island, understand its culture and speak your language adds enormous value to the overall experience and allows you to travel with complete peace of mind.

Our journey begins in Sanur, where Bali gently welcomes visitors with its relaxed atmosphere and coastal charm. We then move to Tulamben, a place where volcanic landscapes meet the ocean and where Bali still preserves much of its authentic character.

Every day has been carefully planned to create memorable experiences while maintaining the flexibility that allows us to adapt to local conditions and the rhythm of the group.

Because Bali is not simply a destination.
It is a place to be experienced.

Our Program

DAY 1 – WELCOME TO BALI

Arrival at Denpasar International Airport, where our team will be waiting to welcome you to the Island of the Gods.

A comfortable transfer will take you to the beautiful Sanur Resort Watujimbar, your home for the first three nights. The remainder of the day is yours to relax after your journey, enjoy the hotel facilities, stroll along the beachfront promenade, or perhaps enjoy your first taste of Balinese cuisine in one of the many local restaurants nearby.

Overnight stay at Sanur Resort Watujimbar.

DAY 2 – JOURNEY TO TULAMBEN

After breakfast, we leave Sanur and travel towards Bali's east coast.

The drive itself becomes part of the experience, passing traditional villages, temples, tropical scenery and breathtaking views of Mount Agung, Bali's sacred volcano.

Upon arrival, we check into the charming Mimpi Resort Tulamben, our home for the next six nights. Lunch at the resort followed by a relaxing afternoon to enjoy the peaceful surroundings and settle into the slower rhythm of East Bali.

Overnight stay at Mimpi Resort Tulamben.

DAY 3 – TEMPLES AND HIDDEN BEACHES

Today we discover two very different sides of Bali. Our first stop is the fascinating **Goa Lawah Temple**, also known as the Bat Cave Temple, one of the island's most important spiritual sites. Built around a cave inhabited by thousands of bats, it remains a place rich in local traditions and legends.

We then continue to the beautiful **Virgin Beach**, one of Bali's most scenic and less crowded stretches of coastline. Here you can relax by the sea, enjoy the tropical surroundings and experience a quieter side of the island.

Overnight stay at Mimpi Resort Tulamben.

DAY 4 – MENJANGAN ISLAND ADVENTURE

Today's excursion takes us to the spectacular West Bali National Park and the famous island of Menjangan. After a short boat ride, we reach one of Bali's most pristine marine environments. Here you will enjoy two guided snorkeling experiences in crystal-clear waters, exploring vibrant coral reefs and dramatic underwater walls teeming with tropical marine life.

Between snorkeling sessions, we stop at a secluded tropical beach where, with a little luck, it may be possible to spot the deer that gave the island its name.

A memorable day dedicated to nature, relaxation and the beauty of Bali's protected marine ecosystems.

Overnight stay at Mimpi Resort Tulamben.

DAY 5 – RELAX AND ENJOY BALI'S PACE OF LIFE

Today is intentionally left free for you to enjoy at your own pace.

Spend time by the pool, enjoy the resort facilities, take a walk along the coastline, read a book in the shade of a palm tree or simply embrace the relaxed atmosphere that makes Bali so special.

Sometimes the most memorable travel moments are the ones without a schedule.

Overnight stay at Mimpi Resort Tulamben.

DAY 6 – RICE TERRACES AND VOLCANO VIEWS

Today we explore some of Bali's most iconic landscapes.

Our journey begins at the famous **Tegallalang Rice Terraces**, where centuries-old farming traditions have shaped one of the island's most recognizable panoramas.

We then continue towards the Kintamani Highlands, where breathtaking views open over **Mount Batur and its volcanic lake**. Lunch is served overlooking this extraordinary scenery.

On the return journey, we stop for a complimentary tasting of local coffee and tea, offering a glimpse into another important aspect of Balinese culture and daily life.

Overnight stay at Mimpi Resort Tulamben.

DAY 7 – WELLNESS AND LEISURE

A day dedicated entirely to wellbeing and relaxation.

Enjoy the beautiful surroundings of the resort, spend time by the pool, or simply take in the peaceful atmosphere of Tulamben.

Included in today's program is a complimentary Balinese massage, the perfect opportunity to experience one of the island's most cherished wellness traditions.

Overnight stay at Mimpi Resort Tulamben.

DAY 8 – RETURN TO SANUR

After breakfast and a leisurely morning, we leave Tulamben and return to Sanur.

The afternoon is yours to enjoy. Explore the town, browse the local boutiques, walk along the beach promenade, enjoy a sunset drink by the sea or simply relax before the final days of your journey.

Overnight stay at Sanur Resort Watujimbar.

DAY 9 – MARKETS, TRADITIONS AND BALINESE CRAFTSMANSHIP

Our final excursion offers a glimpse into Bali's rich artistic heritage.

We visit the traditional **Sukawati Market**, a lively and colorful place where local artisans and traders offer handicrafts, textiles and souvenirs.

Later, we continue to a traditional Batik workshop, where you will discover the fascinating techniques behind one of Indonesia's most celebrated textile arts and have the opportunity to purchase authentic handcrafted pieces.

A wonderful way to conclude your Balinese experience and take home lasting memories of the island.

Overnight stay at Sanur Resort Watujimbar.

Around the Globe – Powered by Diveverse

Travelling has never simply been about reaching a destination for us.

For over twenty years, the ocean, travel and discovery have shaped both our professional and personal lives. Through Diveverse, our home in the Red Sea, we have welcomed divers and travellers from all over the world, sharing experiences that go far beyond diving itself.

Around the Globe was born from the desire to bring the same philosophy to selected destinations around the world: carefully designed journeys, authentic experiences, small groups and the reassurance of travelling with people who genuinely care about every detail.

We personally accompany our groups because we believe that the difference between a good holiday and an unforgettable journey often lies in the people you share it with. Our role is not only to organize logistics, but to help you discover a destination through local culture, hidden corners, meaningful experiences and those unexpected moments that often become the best memories.

For our Bali Sea & Soul journey, we are proud to collaborate with **Bali Secrets Diving Safari**, one of Bali's most experienced and respected local operators. Their extensive knowledge of the island, combined with our travel philosophy and personal assistance, allows us to offer a truly unique experience both above and below the surface.

Whether you are a diver, a traveller, a photographer, an adventurer or simply someone looking to discover a different side of the world, our goal remains the same: To help you experience a destination, not just visit it.

We look forward to sharing Bali with you.
