Holiday Bazaar & Crafts Show Cancelled

This year is going by so fast! I honestly can't believe we are in October.

Shipley Center's 11th annual Holiday Bazaar hosted the first weekend of November has been cancelled due to COVID-19 concerns.

I will really miss seeing everyone. I feel it is unfair to vendors to try and put on a bazaar during these uncertain times.

I hope to see everyone for our **2021** Spring & Holiday Bazaars.

Thank you.

Join us in a guided basic awareness meditation class with Jean Kipper. This class is appropriate for beginning as well as experienced meditators.

Meditation is very simple and gentle and its benefits are noticed immediately, and also later as your day unfolds. Meditation has been scientifically proven to help boost the immune system, lower blood pressure, help relieve depression, increase productivity, and promote creative thinking.

This mindfulness meditation can be a transformative practice, benefiting meditators, their families and our community at large.

Class is held on Friday mornings. The silent meditation starts at 9:45 AM. Guided meditation starts at 10:00 AM. That's a firm start, as we need to begin at the beginning. You will want to set the stage to have all the benefits of the class and your time. Class ends about 10:45 AM.

News & Notes

Beth Barrett, Trips & Tours Coordinator

Shipley Center Trips: 360-683-5883

Trips@shipleycenter.org

Welcome Autumn! My favorite time of year. I usually like to vacation in the fall. This year we headed down to California to see my mom in September. Taking a detour, we were able to avoid MOST of the smoke, and the fires. How sad to see so much devastation.

If you read the ***Trips*** article every month, you probably are aware of the two Collette Tours coming up in 2021. I would like to make sure you know it is NOT too late to sign up!

- In March, there is *Southern Charm*, traveling to South Carolina, Georgia and Jekyll Island, March 21-27, 2021. Let me know ASAP if you are interested. March, in the Olympic Peninsula is still a bit chilly, so this trip will warm you up, as the weather in that part of the country has already started to change. .
- *Shades of Ireland*…April 17-26, 2021. WOW! A very popular trip, but if you want to go, there is still room. We have at least 16 so far. One person coming from as far as Missouri. If you have a friend or relative wanting to go with you, they can leave from the airport closest to where they live...they do not need to fly here first.

I hope some of you had a chance to get out for a local day trip last month! October's weather should still be nice, so give it a try again!

Our bus drivers are anxious to take you on an adventure. We are still waiting to safely invite you aboard the Shipley Bus and will let you know as soon as that is possible. Please call me with suggestions and leave a message: 360-683-5883.

Last month a Book Club was mentioned in the Newsletter. If you might be interested, please give me a call (so far only two people) Unless restrictions are lifted soon, we would probably get together on ZOOM.

Oh, the places we'll go!

-Beth-

Annual Membership Meeting and Board Election, Pandemic-style!

About this time in a "normal year" we would have a "meet and greet" event to get to know any new candidates for the Board of Directors. About 2 weeks after that we would all be invited to come together in person in our main activity room, have some refreshments, listen to reports and speeches, and hear the election results in person. Ahh, the good old days!

However, since we are unable to meet this year due to Covid-19, we are presented with some challenges! The bylaws require us to have an election and an annual meeting each year, so what to do? To address these challenges and be able to function as a corporation, your Board of Directors has added a section to the Bylaws, as follows:

11.2 EMERGENCY POWERS AND PROCEDURES In case of any official emergency declarations—made by the federal, state, or local government, and/or natural disasters, pandemics, acts of war, etc.—that affect the ability of the board to conduct business in person in accordance with these Bylaws, a quorum of the board, at their discretion, may call a regular or special meeting electronically by phone or computer, email, or any other means available to communicate, vote, and conduct the business of the organization. Under such emergency circumstances the board may suspend, postpone, or change certain requirements of the Bylaws pertaining to elections, the annual meeting, and other business that must be conducted or matters decided upon.

At the conclusion of the emergency, and when the board can once again meet in person, the board shall resume full compliance with all aspects of the Bylaws, going forward from that point.

BOARD ELECTION—So what does this mean for this year's board election? Rather than do an expensive separate ballot mailing, your ballot is printed below. Three incumbents have been vetted in the past, and are all qualified and willing to serve again for the three positions. None are prohibited from running due to term limits. (Limit is 2 consecutive full terms). The bylaws do state that you must be a "senior member, 50 years or older", so by voting you are affirming that you are a senior member. If there are two current Shipley Center members in a household who would both like to vote, please contact our office for a 2nd ballot.

ANNUAL MEMBERSHIP MEETING—
Will be held via zoom at 3:00pm, Tuesday, October 27th. Please email msmith@shipleycenter.org to receive an email invitation. Or call for meeting ID and passcode, which will be available after October 20th. For online security reasons, Zoom advises that organizations not publish passcodes widely ahead of an event.

Thanks for your understanding during this challenging year! We hope you are doing well and staying safe and healthy! We look forward to "Phase 3" and "Phase 4" when we will be able to do in-person activities and events.

Michael

BALLOT — Please vote for 3 of the following candidates for 3-year terms that will run from 1/1/2021 through 12/31/2023, by putting checkmarks or an "X" next to each name. Do not vote for more than 3 names, including any write-in name(s):

___ Judith "Judy" A. Lange

___ Miriam "Mimi" L. Sutton

___ Bridget M. Captain

___ Write In Candidate: _____

By voting I certify that I am a current member of Sequim Senior Services, dba Shipley Center, **and** that I am at least 50 years of age or older. Return ballot to Sequim Senior Services, PO Box 1827, Sequim, WA 98382, or drop into Drop Box near front office.

My wife and I went out for a leisurely drive to see the autumn leaves, when we noticed that one of the tires seemed to be getting low…

She was a bit taken aback when I asked her for some change and she asked, "When did they start charging for AIR?!"

I looked at her and winked, "Inflation".

Spotlight on… Theresa Fox

By Margaret Cox

This month's Spotlighted person is an Olympic Peninsula woman, through and through. A survivor of the deaths of a husband and child, her resilience is awe-inspiring.

Theresa Fox is a descendant of early settlers on the west side, the Klahn family, her great-grandfather having emigrated from Fehmarn, Germany to Eastern United States around 1881 then to the Forks area in the late 1895.

Theresa was born and brought up in Forks. One of four girls, she and her family lived on a farm . . . poultry, horses, cows, pigs, and big gardens to feed the family. She was an outdoor kid (a reason she says why she "never learned to cook very well!") She would ride the horses, seeking adventures, and loved to fish and hunt with her dad. Theresa says of those years, "Growing up was fun!"

After graduating from Forks High School, she married her childhood sweetheart, David, and moved to Seattle, helping her in-laws manage their two motels. Shortly thereafter, David was drafted into the army and sent to Viet Nam. The excitement of his safe return from battle to Seattle was short-lived as he was to die in an auto accident.

Theresa Fox

Theresa found herself a widow at age 26, with a young daughter, Nyomi. Numbed by this turn of events, she and Nyomi returned to Forks where her family supported her as she nursed her grief until she was able to return to Seattle.

There she met her second husband, Bill, by whom she had two sons. They then re-located to Ohio. Again, tragedy struck, Theresa's 12-year-old son perishing in a house fire, the whole family scarred for life by that event.

It was in Columbus, Ohio, that Theresa found her calling. She became interested in working with non-profit organizations. She wanted her work "to serve," rather than be just "a job." Her first position with this new passion was as office manager of a Child Development Center which included a pre-school and day care. She had the added bonus of being able to take her young son with her!

After twenty years in Ohio, and missing family connections in Forks, she and her two children returned "home". There she took a position as Office manager, the director of a Personal Care Program and then Program Director of a Supervised Visit Program for a non-profit organization. She used her experience of overcoming the loss of her son to volunteer as a grief counselor for bereaved parents.

In 2003, Theresa was asked to manage the PA office, so she moved to Port Angeles, and retired from that position in 2019. When asked about training for her work, Theresa laughs . . . "It was the school of hard knocks and a lot of experience!"

Her passion is working with adults with developmental disabilities and with the elderly population. She is a certified Life Coach and certified Reiki Practitioner.

Continued on p. 11

Continued from page 10

How did Theresa become interested in Shipley Center? One who loves to stay busy, it was during the fall of 2019 that she showed up in the front office asking to volunteer. She was put to work helping Shamya set up an event, then found her niche as a front desk volunteer. Theresa is very organized, and goal-driven, two characteristics that make her particularly successful at the front desk. Her devotion and enthusiasm are such that she has worked regularly one day a week ever since, even during these uncertain times of pandemic social-distancing.

Of *Shipley Center*, Theresa is in awe of the vast amount of wisdom of its members, their collective experience, direction and support. Working at the Benefit Sale for the first time opened her eyes to the number of dedicated volunteers! As she says, "You can't put a price on them; they are truly awesome, vital to this organization."

For the past eight years, she and her husband, Robert, a retired computer draftsman have lived in Sequim. Theresa is happy and content. Her three sisters and two children are living on the Peninsula, something important to her, family being close by. Nyomi is a caregiver for the elderly in the Sequim area, and her son is a welding instructor at Peninsula College.

Asked her thoughts about the new building, the Health & Wellness Annex, Theresa was excited about the possibilities: "It will give us room to expand, to be able to offer more; allowing Shipley Center to grow in space, numbers, and opportunities to reach even more in the community! It's all very exciting!"

Very exciting, indeed . . . and we are excited to have Theresa Fox here with us as a dedicated volunteer and spokesperson!

When will our Center open again?

Many have asked when the Center can reopen for in-person meetings and classes. Currently, under the governor's "Phase 2" , only 5 people can meet together, and it is advised that vulnerable seniors should not even meet in groups yet, if not necessary.

What we are looking forward to is "Phase 3", when larger groups can meet. This was recently reduced from 50 to just 10 people for Phase 3. Until then, please try to enjoy our Zoom class offerings featured in this issue of *The Center News*.

For information about Clallam County Covid-19 rates and progress, go to **Clallam.net/Coronavirus/**

The number to watch is our cases per 100,000 of population. Thanks for your patience during this difficult time. Stay safe!

Why did the tree worry that he wouldn't get his leaves back after autumn?
He didn't be-leaf in himself!

Why did the scarecrow win the Nobel Prize?
Because he was out-standing in his field

Why did the lions move at the end of summer?
Because the pride goeth before the fall!

Did you hear about the tree who deserted the forest at the end of fall?
He was absent without leaves!

What do you get when you drop a pumpkin?
Squash.

What did autumn say to summer?
Make like a tree and leave!
