KRISTI KING

A born entertainer. A lifelong performer. And a woman who knows how to light up a room.

Kristi King has been captivating audiences since she first stepped onto a professional stage at just nine years old. By twelve, she was already a local celebrity, appearing on radio and television and performing professionally in nightclubs, hotels and major venues.

Today, Kristi brings that same sparkle, warmth and unmistakable stage presence to audiences across the country. From theaters and showrooms to resorts, clubs and special events, she has built a career around what she does best: connecting with the audience and making every performance feel personal.

In 2011, Kristi premiered her Doris Day Tribute Show to a sold-out audience, launching a production that has continued to delight audiences with timeless music, captivating stories, humor, glamorous costume changes and Kristi's natural charm.

With a repertoire that spans Doris Day, Peggy Lee and Connie Francis, along with her Honky Tonk Angels show featuring Patsy Cline, Loretta Lynn, Tammy Wynette and Dolly Parton, Kristi doesn't simply sing the classics. She brings an unforgettable era of entertainment back to life.
