## Room Guidance

*Building from scratch? Here are so helpful tips to increase your bookings.*

### Kitchen

- Your guests will want the ability to cook (and prep) for a full meal while staying in your home.
- Providing non-breakable items will save you money in the long run.
- Determine if you are providing coffee/tea, and be sure to have a container to put those products in.
- Simple coffee-grounds coffee maker
- 'Brita' Pitcher for refrigerator if you do not have a water line (no filter indicators).

### Bedroom

- This feature will heavily impact the overall experience and is often mentioned in online review.
- Quality mattress and pillows
- Quality linens
- Black out or privacy curtains
- Accessible charging station
- Mirrors
- Rug under beds with solid flooring

*Let us know if you need additional assistance getting your space set-up*

### Bathroom

- Ensure water pressure is high
- Hot/Cold water is properly functioning.
- Fresh paint if the area feels dark
- Bright lighting
- If providing shampoo/conditioner, don't go cheap.
- Nice soaps, nice scents, candles
- Fresh, plastic toilet seat
- Bristle-d toilet brush for each toilet

### Furnishings

- Choose furniture that isn't easily breakable.
- Rugs in areas with hardwood floors
- Rugs under beds and couches
- Trendy art pieces on blank walls
- Board games and books on empty shelves
- Area to place shoes and jackets
