PROFILE

Results-driven entrepreneur and CEO of The All-Rounder One, specializing in app development, website design, SEO, content writing, and digital marketing. With a strong background in dropshipping, social media management, UI/UX, business analysis, and trading, I have successfully delivered high-quality digital solutions tailored to client needs. My expertise lies in leveraging cutting-edge technology and market insights to drive business growth and operational efficiency. Passionate about innovation and problem-solving, I excel in creating impactful strategies that enhance brand visibility and user engagement. Committed to excellence, adaptability, and client satisfaction, I thrive in fast-paced environments, ensuring every project achieves outstanding results.

WORK EXPERIENCE

OPEN SCHOOL OF HUMAN BASED QUALITY EDUCATION

2024-25 (FEB-APRIL)

Website designer/Virtual Handler

- Developed responsive website designs and structured various sections for optimal user experience across all devices.
- Implemented best practices for SEO optimization, including meta titles, keyword research, structured headings, image tags, and alt text to enhance search engine visibility.
- Designed and managed a school website, overseeing all aspects virtually, from UI/UX development to content management and technical maintenance.
- Developed and executed digital marketing strategies aligned with market trends to maximize reach, engagement, and conversions.

THE ALL-ROUNDER ONE (OWN COMPANY)

CEO/FOUNDER

PRESENT NOW

- Developed and delivered various projects, including mobile apps, websites, PowerPoint presentations, Excel reports, and high-quality content writing.
- Ensured client satisfaction by providing detailed, expert-level work tailored to their specific needs.
- Spearheaded innovative solutions, leveraging the latest technologies to optimize efficiency and user experience.
- Built and led a results-driven team, fostering creativity, collaboration, and a commitment to excellence in every project.
- Successfully scaled business operations, increasing client base and revenue through strategic marketing and exceptional service delivery.
