#### **INSTRUCTIONS**

Shake well before using. Hold can upside down. Point opening in spray tip towards spot or stain. Depress the tab on the top of the spray tip to spray. Hold can at arm's length. Apply in short bursts until spot or stain is covered. Allow a short period of time for spotter to penetrate stain. Blot spot with a clean cloth working from center of stain out. Excessive stains and deposits may require additional applications. Be sure to pretest in an inconspicuous area before usage, as some fabrics may tend to bleach.
