WHY EVERY ADULT NEEDS A POWER OF ATTORNEY

- 1- If you become incapacitated, you need a person authorized to handle your financial and legal affairs
- 2- If none, could face guardianship (court proceeding, guardian ad litem, doctor reviews of capacity, very expensive, very lengthy, annual accounting to the court)
- 3- Pay bills, file taxes, handle mortgage payment, etc. – IRA, work benefits
- 4- Durable General Power of Attorney (legal document) + bank/broker in-house Powers of Attorney
- 5- Power of Attorney dies with the person
- 6- Power of Attorney “refreshed” every 10 years
