## THE DIFFERENCE BETWEEN INCAPACITY AND DEATH PLANNING

- 1- 😊 financial planning and estate planning; handling your own affairs; autonomy; agency
- 2- ☹️ incapacity (accident, illness, stroke) – Power of Attorney (finances) Health Care Directive (medical) – health care proxy, living will, HIPAA waiver – Revocable Living Trust (can be funded during life so incapacity is “smoother”)
- 3- 😞 death, Will and/or Revocable Living Trust (who gets what/when/how)
