

E&S Rising:

How corporate Canada can meet the evolving E&S challenge

Please join us on November 26, 2019 for an interactive expert panel discussion with environmental, social, and corporate governance experts from across industries.

Kingsdale EVP Ian Robertson will moderate the discussion exploring topics such as:

- How to set the right E&S reporting standards for your company?
- How to overcome the challenges of E&S related data?
- How to think about E&S issues as drivers of business risk & opportunity?
- What E&S issues are investors currently focused on?
- What is the role of governance when it comes to E&S issues?
