Information on the use of cookies on this website - Last updated: 2026

This website uses only strictly necessary technical cookies for its proper operation. No tracking, analytics, advertising or third-party cookies are used. Therefore, under applicable regulations, it is not necessary to obtain the user's prior consent for their use.

## 1. What is a cookie?

A cookie is a small text file that a website stores on the user's device (computer, tablet or mobile phone) when the user visits it. Cookies allow the website to remember certain information about the visit in order to facilitate more efficient browsing.

## 2. Types of cookies according to the regulations

Spanish regulations (Law 34/2002, LSSI-CE) and European regulations (Directive 2002/58/EC, as amended by Directive 2009/136/EC) distinguish two broad categories:

Technical or strictly necessary cookies: essential for browsing and the basic operation of the site. They do not require the user's consent.

Non-technical cookies (analytics, advertising, personalization, social media): require the user's express and informed consent before installation.

## 3. Cookies used on this website

The website [www.grupoloor.es](http://www.grupoloor.es) uses exclusively technical cookies. No analytics, advertising or third-party cookies are installed.

Name	Type	Purpose	Duration	Owner
Server session cookies	Technical	Technical management of the HTTP session necessary to serve pages correctly.	Session (deleted when the browser is closed)	Grupo Loor / Arsys Internet, S.L. (hosting provider)

If additional cookies are incorporated in the future, this policy will be updated before their installation and user consent will be obtained where legally required.

## 4. Absence of third-party cookies

This website does not include analytics tools (Google Analytics, Matomo or others), social media pixels or any other element involving the installation of cookies by third parties.

## 5. How to manage or disable cookies

The user may configure the browser to be notified of the receipt of cookies, to block them or to delete cookies already installed. The following browsers normally provide help pages for this purpose: Google Chrome, Mozilla Firefox, Apple Safari and Microsoft Edge.

Please note that disabling technical cookies may affect the proper functioning of the website.
