

Our Vision

To be the leading microfinance institution in Liberia

Our Mission

To provide a wide range of first class microfinance services for low income people and small to medium enterprises

Our Values

- **Integrity (Trust and Ethics):** Operating with the highest standards of transparency, fairness, and ethical behavior, building trust with clients and stakeholders.
- **Inclusiveness (Belonging and Equity):** Ensuring equitable access to financial services for marginalized communities, women and youth.
- **Interest of Clients First (Client-Focused):** Keeping the clients' interests first by driving every decision based on what truly benefits them.
- **Innovation (Creativity & Growth):** Constantly striving to improve products, services and processes through new ideas and technologies to ensure that the business stays relevant and competitive.
- **Impact (Meaningful and Positive Change):** Focusing on helping clients increase their incomes, build assets, and achieve sustainable livelihoods; creating value for stakeholders; and creating a legacy for our entity.
