## Rooms:

Cadet Rooms are 11'7" W x 15'3" L and are shared by two Cadets. All electronic equipment and music or games must be indelibly marked with the cadet's name and number and must fit on the cadet's desk.

While Fishburne Military School does everything within its power to ensure the safety of each student's personal property, the school cannot accept any responsibility in this area. All Cadets must secure any personal items of value in their lockable storage area. Cadets must provide their own combination lock.

## Phones:

- VoIP – Voice over Internet Protocol phones have been issued to each cadet. The phone will stay with the cadet even if the cadet changes rooms, ensuring his extension stays the same.
- Parents can call the main Fishburne phone number 540-946-7700 and then dial the phone extension. (Extension is displayed in the upper left hand corner of the phone).
- Cadets must setup their voicemail greeting and password. To check voicemail, press the envelope button. The initial password for each phone is the same as the extension.
- Phones will be returned to IT staff at the end of the school session and inspected for damage. Damage will be reported and charged at the rate listed in the section – Property Damage.

**Note:** *When you set up your voice mail greeting, use appropriate language. Inappropriate or insulting greetings will result in the loss of your private phone privilege.*

**The use of a phone in your room is a privilege and can be revoked at any time.**

**Phone times:** The phone system is placed on a timer. Phone times will be established at the beginning of the school year and communicated to parents. Please keep in mind they may be changed at any time, however, you may reach your sons through the emergency number (24 hours a day). The emergency number is: 540-946-7700 ext. 117. If you need to talk to a school nurse, she may be reached at 540-946-7700 ext. 180.
