LOT #	MODEL	ELEV	MODIFICATIONS	DATE REQUIRED

Items which would *PREVENT* us from preparing *YOUR* order:

- We haven't received the signed truss contract, approved profiles and special conditions
- We haven't received any or the most up-to-date plans
- Instructions given to 'Hold' your order

The undersigned certifies that the above information is correct. Once approval is received by Tarpin Lumber and Truss, all trusses will be produced. If framing does not proceed, trusses will be invoiced after six (6) months past original delivery date.

SIGNATURE: _____

POSITION: _____

Note: Incomplete or unclear information will prevent Tarpin Lumber in completion of the truss design and may result in delays to deliveries.
