

Privacy Policy

The M Agency is a Florida-licensed health and life insurance agency committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you visit our website or use our insurance services.

Information We Collect

We may collect personal information including your name, contact information, date of birth, Social Security number (when required for applications), Medicare Beneficiary Identifier (if applicable), health information necessary for underwriting, and other information required to provide insurance quotes and policy enrollment. We may also collect website usage data such as IP address and browser type.

How We Use Information

We use your information to provide quotes, submit applications, communicate with licensed insurance carriers, assist with ACA Marketplace plans, Medicare Advantage, Medicare Supplement, Part D, life insurance, and related coverage options. We may also use your information to respond to inquiries and comply with federal and Florida insurance regulations. We do not sell your personal information.

Medicare & ACA Compliance

The M Agency complies with Centers for Medicare & Medicaid Services (CMS) marketing guidelines and Affordable Care Act (ACA) regulations. Submission of information through this website is voluntary. Providing your information does not obligate you to enroll in a plan. A licensed insurance agent may contact you regarding plan options. We do not offer every plan available in your area. Currently, we represent multiple organizations which offer a variety of products in your area. Please contact Medicare.gov, 1-800-MEDICARE, or your local State Health Insurance Assistance Program (SHIP) for information on all of your options.

Information Sharing

We may share your information with licensed insurance carriers, contracted Field Marketing Organizations (FMOs), service providers, or regulatory authorities as required by law. All parties are required to safeguard your information.

Data Security

We implement reasonable administrative, technical, and physical safeguards, including secure systems and restricted access, to protect your personal information. However, no method of internet transmission is completely secure.

Your Rights

Florida residents may request access to or correction of their personal information by contacting us directly.
