

PROTECTIONS

BY SPIKE ON THE WATER

PROTECTION LEVEL V - DECK: 7.00/FT HULL: 5.00/FT BOTTOM: 5.00/FT

Permanon Yacht SuperShine tm

Permanon Yacht Supershine Professional is a nano-engineered surface protection solution for all personal watercraft, boat or ship finishes resulting in a brilliant protected shine that is incredibly easy to maintain.

Permanon Yacht Supershine's natural Silicium (14Si) coating extends the life of boat/yacht paint, gel coats, and fiberglass due to its extremely high salt and oxidation resistance.

SERVICE FEATURES

- Window protection
- Stainless protection
- Gel coat protection
- Non-Skid protection

PROTECTION LEVEL VI - DECK: 12.00/FT HULL: 10.00/FT BOTTOM: 10.00/FT

Profile Rapid Detailer

fast liquid spray wax for that 'just waxed' look or simply a quick clean. It removes surface contaminants including compound residue, light dirt, dust and fingerprints to leave a 'just waxed', high gloss finish. Simply spray or wipe on and buff off, suitable for all surfaces compatible with all waxes. Will not remove previously applied polishes and waxes from the surface aiding continuous protection.

SERVICE FEATURES

- Quick to Use
- Removes Surface Contaminants
- High Gloss Finish
- Paintwork, Rubber, vinyl, plastic glass and chrome

PROTECTION LEVEL VII - DECK: 20.00/FT HULL: 15.00/FT BOTTOM: 15.00/FT

PROTECTION LEVEL VIII - DECK: 60.00/FT HULL: 40.00/FT BOTTOM: 40.00/FT

Ceramic Pro Marine

*PROFESSIONAL INSTALLATION ONLY

Ceramic Pro offers the ultimate coating to protect gelcoat and other marine surfaces. Never before has there been a single coating system that would offer protection for every surface on a watercraft and becomes a protective barrier preventing oxidation and growth of barnacles, sea organisms and algae on the Bottom. Stains comes off easy and cleaning the vessel can now be done in half the time.

SERVICE FEATURES

- Longevity 1-5 years
- Easy to Maintain
- Thermal resistance from -50°C to 1200 °C
- Resistance to corrosion and oxidation
- UV Protection
- Perfect Gloss
- Chemical Resistance
- Low volatile components
- Fluorine Free
- Eco-Friendly
