

# Persessi — Mission Support & Workforce Systems Operator

Persessi delivers disciplined program execution, workforce transition systems, and compliance-driven operational oversight across federal and public-sector environments. The company supports mission programs requiring structured workforce systems, instructional coordination, and performance accountability.

## Core Capabilities

- Program Management & Operational Oversight
- Workforce Transition & Career Systems Support
- Training & Instructional Program Delivery
- Compliance Monitoring & Performance Reporting
- Multi-Site Federal Program Coordination

## Core Differentiators

- Direct Army Soldier for Life – Transition Assistance Program (SFL-TAP) experience
- Multi-site program execution discipline across distributed locations
- Centralized governance and compliance frameworks
- Integrated cybersecurity practices supporting CMMC Level-1 controls

## Federal Execution — U.S. Army SFL-TAP

Persessi supports transition readiness operations assisting service members preparing for civilian workforce entry. Services include employment preparation support, instructional coordination, compliance monitoring, and performance reporting across geographically dispersed program locations.
