

Grant Solicitations 1

BHEX Mini Funding Deadlines

Ref Bari, Brown University

Abstract

The BHEX Mini Team will be submitting grant proposals to the National Science Foundation (NSF) in Fall 2025 and to NASA's Astrophysics Pioneers Program Solicitation in Spring 2026.

1. Introduction

The general timeline for BHEX Mini's funding deadlines are shown below. The Fall 2025 semester will be focused on NSF grants. Transitioning into Spring 2026, we'll focus on NASA's Astrophysics Pioneers Program.

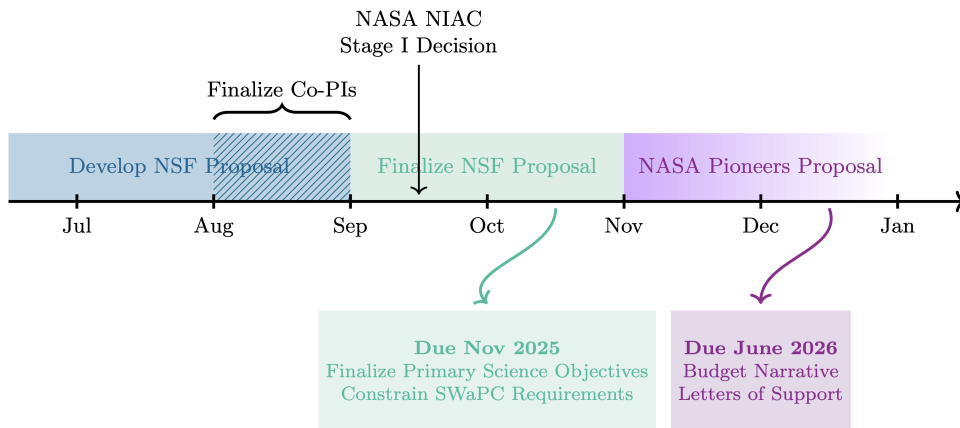

Figure 1.
2025-2026 Timeline for BHEX Mini

2. National Science Foundation Grants

We anticipate submitting proposals to the following NSF Solicitations:

1. NSF Astronomy & Astrophysics Grants (NSF 22-624)
2. NSF Multi-messenger Astronomy Grants (PD 23-5115)
3. NSF Advanced Tech & Instrumentation for Astronomy (NSF 22-627)
4. NSF Investigator-Initiated Physics Projects (NSF 23-615)
