**LEGACY STUDIO BUS PRODUCTIONS
ANNOUNCES THE UPCOMING RELEASE OF
COMING FROM AFRIKA**

**A Groundbreaking Hybrid Action-Comedy
Adventure Original Series Blending African
Storytelling, Live Action, and Innovative AI
Filmmaking**

Los Angeles, California — Legacy Studio Bus Productions proudly announces the upcoming release of **COMING FROM AFRIKA**, an original hybrid action-comedy adventure series combining cinematic live-action storytelling with AI-assisted filmmaking.

Set between Senegal and Los Angeles, the series follows Ba, a young Senegalese man who leaves home in search of a better future in America. Guided by his cousin Legacy, Ba discovers that surviving Los Angeles may be the biggest adventure of his life.

A New Kind of Storytelling

Coming From Afrika blends authentic live-action performances with AI-assisted cinematic visuals while keeping human emotion and authentic performances at its heart.

Season One

Season One consists of 11 episodes, taking audiences from Senegal to the bustling streets of Los Angeles through action, comedy, drama, and heartfelt moments.

Series Highlights

- Action-packed adventures
- Character-driven comedy
- African and American cultural experiences
- Emotional family moments

- Authentic immigrant perspectives
- Unexpected twists and suspense
- Hybrid live-action and AI-assisted production

A Story For Everyone

While inspired by African culture and the immigrant experience, Coming From Afrika is a universal story about chasing dreams, adapting to change, and finding your place in the world.

The Future

Coming From Afrika is envisioned as an expanding original series with future seasons, new adventures, merchandise, and innovative storytelling experiences.
