GETTING TO SANTORINI

American, Delta, United and Emirates offer direct service from the East coast cities to Athens. There are many airlines that fly from Athens (ATH) to Santorini (JTR)

We like to have all guests arrive in Santorini before 6 pm on the day of arrival and depart by 11 am on the day of departure.

TIP: We often find that if you book your airline ticket from the USA into a European destination and then connect on a European airline to Santorini you can sometimes find a better overall airfare. Take some time and play around to find the price that best meets your needs.

ATHENS

If you are going to visit Athens we strongly encourage you to visit and tour Athens before you arrive to Santorini. This will allow you to acclimate to the time change while touring Athens. When you arrive in Santorini you will find yourself so relaxed that when it's time to fly home you'll be rested and relaxed.

Please email us at, david@SantoriniBLU.com if you need hotel, guide and restaurant suggestions for your visit to Athens.

PACKING

Santorini is very casual and relaxed. We always suggest packing lightly. We personally only use a roller board and carry on. This allows us to not check luggage. We do a mid week laundry run on Wednesday. You'll need some good walking shoes as there are many uneven walkways and stairs. Women are encouraged to have flats for walking. Heels are difficult to walk in so if you do bring a heel we suggest a low heel. Beach shoes are recommended to walk on the hot rocks into the Aegean Sea.

We go on an amazing Sailboat for an afternoon for sailing, swimming and dinner onboard. If you're not a swimmer don't worry. They have great life jackets that make you float like a champion. It's a fun day!

HOTEL ROOMS

All rooms have a hair dryer and small refrigerator.

You'll need a European adapter for your electronics. Please note it's the 2 prong adapter vs the 3 prong.

INSURANCE

THIS IS AN ABSOLUTE MUST IN OUR OPINION AND WE HIGHLY RECOMMEND YOU HAVE TRAVEL INSURANCE TO INCLUDE MEDICAL CARE AND IF NEEDED EMERGENCY EVACUATION TO A HOSPITAL AND YOUR FLIGHT HOME FOR ADDITIONAL CARE. WE CANNOT ORGANIZE NOR PAY YOUR MEDICAL NEEDS AND EMERGENCY TRAVEL FROM A MEDICAL INCIDENT OR ACCIDENT.

REMEMBER YOU ARE IN A FOREIGN COUNTRY AND THE LAWS AND RULES ARE DIFFERENT. YOUR SAFETY IS OUR PRIORITY! HOWEVER PLEASE NOTE THAT ANY ACCIDENTS ON THE ISLAND BE IT PERSONAL OR ON ONE OF OUR MODES OF TRANSPORTATION DOES NOT PROVIDE ANY PERSONAL INJURY INSURANCE PER INTERNATIONAL RENTAL GUIDELINES.
