4.1.1 RocTel shall use all reasonable endeavours to ensure that Services are ready for use by the Customer on the Agreed Ready For Service Date.

4.1.2 RocTel and the Customer agree that no Agreed Ready For Service Date shall be changed except by express agreement in writing between the parties or if a delay is caused by the Customer's wilful act or failure to fulfil its obligations hereunder or if a delay is due to any other cause beyond RocTel's reasonable control in accordance with clause 23.

4.1.3 Save in the circumstances set out in clause 4.1.2, if the Agreed Ready For Service Date is not met in respect of any Site RocTel shall use all reasonable endeavours to ensure that the actual Ready For Service Date is as near as practicable to such date.

Unless otherwise agreed in writing, this power supply shall be supplied by the Customer at the Customer's expense and not supplied by RocTel via the RocTel Network. Back-up power with sufficient capacity to conform to the stand-by requirement of the relevant national and European standards is needed if Services are required to continue uninterrupted in the event of a power failure in the principal power supply. RocTel will not be responsible for faults arising in the Services Equipment or interruption in the provision of Services caused by failures in the power supply. The Customer shall only employ electrical engineers approved by RocTel to undertake any work in this regard.

4.5.5 The Customer shall procure all permissions, licences, waivers, consents, registrations and approvals necessary for or reasonably considered desirable by RocTel to enable RocTel to deal with the Customer's designated maintainers of Customer Provided Apparatus. RocTel shall not authorise any work or incur any costs on behalf of the Customer without prior written approval of the Customer.

4.5.6 RocTel will not be responsible for any faults or interruptions in the Services or any inability of the Customer to access the Services where this is caused by a failure or inadequacy in any Customer Provided Apparatus or any incompatibility between any Customer Provided Apparatus and the RocTel Network or the Internet Network.

4.6 BEHAVIOUR OF EMPLOYEES AND AGENTS

Each of the parties hereto undertakes with the other to do all things reasonably within its power which are necessary or desirable to give effect to the spirit and intent of this Agreement and to ensure as far as reasonably possible that their respective employees, agents and representatives comply with such undertakings.

RocTel shall have no liability whatsoever in any case where such notification is not given or such permission or co-operation is not obtained.

4.7.2 The Customer shall ensure at all times that the Customer Provided Apparatus shall to the extent and manner necessary be approved for connection to other telecommunication systems and the Customer shall at all times comply with the conditions of such approval. RocTel reserves the right to disconnect any Customer Provided Apparatus if the Customer does not fulfil its obligations under this clause 4.7, or if in the reasonable opinion of RocTel the Customer Provided Apparatus is liable to cause the death of, or personal injury to, or damage to the property of RocTel or any person engaged in the operation of the RocTel Network or the Internet Network, or materially to impair the quality of any telecommunications service provided by means of the RocTel Network or the Internet Network.

4.8 HEALTH HAZARDS

The Customer undertakes to advise RocTel of any rules or regulations relating to health and safety at work applicable at the Sites and RocTel shall observe and procure that the persons so authorised as referred to in clause 4.5.3 (other than the Customer) observe the rules or regulations so advised while at the Sites.

4.9 USE AND CARE OF SERVICES EQUIPMENT

4.9.1 The Customer shall ensure that Services Equipment is properly insured for all usual risks including without limitation fire, destruction, theft, damage and injury or death of any person. RocTel shall on request provide the Customer with details of the insurance value of the Services Equipment on or before delivery thereof and the Customer shall ensure that such values are incorporated into any such insurance policies with RocTel named as a co-insured. Upon request from RocTel the Customer shall produce evidence of such insurance.

4.9.2 The Customer shall be responsible at all times for the safety, safe custody and safe use of the Services Equipment after installation at the Sites and in particular (but without limitation to the generality of the foregoing) the Customer undertakes: (a) to house, keep and use the Services Equipment in accordance with such written instructions as may be notified by RocTel to the Customer from time to time or, in the absence of such instructions, to the same standard as if the Services Equipment were the property of the Customer; (b) at all times to keep the Services Equipment at the Sites and free from movement, external vibration or collision; (c) not to add to, modify, or in any way interfere with, the Services Equipment; (d) not to cause Services Equipment to be repaired, serviced or otherwise attended to except by an authorised representative of RocTel; (e) not to cause any attachments to be fitted to the Services Equipment except in accordance with such written authorisation as may be notified by RocTel to the Customer from time to time; (f) not to do anything nor to allow to subsist any circumstances, matter or thing which is likely to damage Services Equipment or detract from or impair its performance or operations; and (g) not to remove, tamper with or obliterate any words or labels on the Services Equipment or any part thereof.

4.9.3 The Customer confirms that it has read and understood RocTel's Service Literature relating to the Services Equipment and is satisfied that the Services Equipment will meet the Customer's requirements. The Customer acknowledges that the effectiveness of the Services Equipment depends to a great extent upon how the Customer uses it. It is the Customer's responsibility to ensure that it uses the Services Equipment in accordance with the instructions supplied, whether by RocTel or its manufacturers. Neither RocTel nor its manufacturers shall be liable for any breaches of security in the Customer's network arising from the Customer's failure to comply with such instructions or its misuse or improper use of the Services Equipment.

4.9.4 Any Equipment supplied by RocTel shall remain the property of RocTel. RocTel may modify, substitute, renew or add to the Equipment from time to time at its absolute discretion. Where RocTel has provided equipment as part of a managed service contract the device must be returned to RocTel upon termination of the contract. A charge representing the full cost of the equipment plus VAT will be raised if the device is not returned within 30 days of the termination date of the contract.

4.10 CHANGES TO SERVICES AND SITES

4.10.1 The Customer shall be entitled at any time by notice in writing to request a change to Services. Agreement to such request shall be at RocTel's sole and absolute discretion. Where RocTel agrees to change Services, RocTel shall reconfigure the RocTel Network or the Internet Network as appropriate as soon as reasonably practicable.

4.10.2 If the Customer's use of the Services to access the Internet Network exceeds a desirable level, RocTel shall notify the Customer that it may either upgrade the Services or terminate its use of the Services for access to the Internet Network. If the Customer chooses to upgrade the Services, then RocTel shall arrange for such upgrade to be performed within a reasonable period of time. Such upgrade shall constitute a change in Services and this Agreement shall be treated as varied accordingly. If the Customer chooses not to upgrade the Services after notification from RocTel under this clause 4.10.2 the RocTel shall be entitled to terminate the Customer's use of the Services for access to the Internet Network.

4.10.3 The Customer shall pay RocTel Reconfiguration Charges for changes requested under clauses 4.10.1 and 4.10.2 and such applicable Installation Charges, Rental and other charges for Services and Services Equipment, from the Ready For Service Date of the relevant Site.

4.10.4 In the event that the Customer requests that a Site address or location is to be changed before or after the Ready For Service Date, then: (a) RocTel shall have the right to charge (as set out in RocTel's Service Literature) and seek advance payments thereof for any work required to be undertaken; and (b) RocTel shall have the right to amend the Installation Charges, Usage Charges and Rental and the Agreed Ready For Service Date for the new Site dependent on the location of the new Site; and (c) any Service Credits relating to the original Site shall cease to apply and shall not be transferred to the new Site.

4.11 CANCELLATION OF PART OF THE SERVICES

4.11.1 The Customer shall be entitled at any time to cancel part or some of the Services.

4.11.2 Where the Customer cancels part or some of the Services within the Minimum Period, except where otherwise specified in RocTel's Service Literature, the Customer shall pay all arrears of charges payable under this Agreement in respect of the cancelled Services and by way of liquidated damages shall pay a sum equivalent to the Rental due in respect of the cancelled Services from the date of cancellation to the expiry of the Minimum Period, less a rebate for accelerated receipt of such Rental at the rate of five (5) per cent per annum from the date of payment to the expiry of the Minimum Period, except where the date of termination falls three months or less from the date of expiry of the Minimum Period in which event there shall be no such rebate.

4.11.3 Where the Customer wishes to cancel part or some of the Services following the expiry of the Minimum Period, the Customer shall give RocTel three (3) months' written notice, except where otherwise specified in RocTel's Service Literature, of its intention to cancel and shall pay all charges payable under this Agreement in respect of the cancelled Services during this three month notice period. Should the customer terminate or transfer services to another provider before the 3 months notice period has elapsed, RocTel will charge for the unexpired portion of the notice period based at a rate equivalent to the average of the 3 most recently billed monthly charges. For example, should the customer transfer after one month of the 3 month notice period, a monthly charge will be calculated based on the average of the 3 most recently billed monthly charges and an amount equivalent to two months (the unexpired portion) worth of the calculated average monthly charge shall be charged.

5. MISUSE OF AND LIMITATIONS ON USE OF SERVICES

5.1 The Customer undertakes to use Services and to procure that each User uses Services in accordance with such reasonable operating instructions as may be notified in writing or verbally (and confirmed in writing) to the Customer by RocTel from time to time and in accordance with any telecommunications or other licences which govern the running of a telecommunication system by the Customer.

5.2 Without limitation to the generality of clause 5.1, the Customer undertakes not to use Services and undertakes to prevent each User from using Services: (a) for the communication, publication, transmission or receipt of any material which is defamatory, offensive or abusive or of an obscene, nuisance, hoax threatening or menacing character; or (b) in a manner which constitutes a violation or infringement of the rights of any person, firm or company (including but not limited to rights of copyright, privacy or confidentiality); or (c) in a manner that is associated with a criminal offense; or (d) to cause annoyance, inconvenience or needless anxiety.

5.3 The Customer undertakes not to re-sell for money or monies worth Services or any part thereof to any third party, other than with prior written consent of RocTel.

5.4 The Customer shall not use a Name such as to infringe the rights of any other person, whether in statute or common law, in a corresponding trade mark or name.

5.5 The Customer shall indemnify RocTel for all costs, claims, damages or proceedings made or threatened to be made by reason of the Customer's or a User's use or misuse of Services or Services Equipment or by reason of the malfunction or non-function of the same or the breach by the Customer of its obligations under this Agreement.

6. CHARGES, VALUE ADDED TAX AND DEPOSITS

6.1 In consideration of RocTel's obligations hereunder the Customer shall pay to RocTel the Installation Charges, Usage Charges, Rental and any other charges due under this Agreement. 6.2 All sums due to RocTel under this Agreement are exclusive of Value Added Tax ("VAT"), and any other applicable taxes which may from time to time be introduced, which shall be charged thereon in accordance with the relevant regulations in force at the time of making the taxable supply and shall be paid by the Customer. 6.3 Time of payment of all sums due to RocTel under this Agreement shall be of the essence of this Agreement.

Without prejudice to RocTel's right to treat non-payment or late payment as a repudiatory breach of this Agreement, RocTel reserves the right to charge daily interest on outstanding amounts, until payment in full is received by RocTel, at a rate equal to four (4) per cent per annum above the Allied Irish Banks base lending rate as current from time to time whether before or after judgement. Interest shall continue to accrue notwithstanding termination of this Agreement for any cause whatsoever. If any payments are more than thirty (30) days overdue, RocTel may at its absolute discretion, suspend the provision of all or part of the Services.

6.4 Rental shall be payable in advance and the first instalment shall be due on the Ready For Service Date for that Site and subsequently at the beginning of each Billing Period. Between the Ready For Service Date for that Site and the date

of commencement of the first Billing Period a proportionate part of the Rental shall be payable calculated on a pro-rata daily basis.

6.5 Usage Charges shall be payable in arrears except where notified to the Customer in writing by RocTel. Usage Charges shall be calculated by RocTel by reference to data recorded or logged by RocTel and not by reference to any data recorded or logged by the Customer. 6.6 Installation Charges for Service to each Site shall be payable no later than the Ready For Service Date for that Site, or where RocTel's Service Literature so provides, at other dates as specified therein. Installation Charges for Service to any Site shall not be dependent on the Ready For Service Date for any other Site.

6.7 Where the Ready For Service Date for a Site is delayed at the Customer's request or by virtue of the Customer's willful act, neglect or failure to fulfil its obligations hereunder, the Installation Charges and Rental for that Site shall be payable no later than the Agreed Ready For Service Date for that Site unless otherwise agreed in writing between the parties.

6.8 Subject as otherwise provided in clauses 6.4, 6.6 and 6.7, all sums due to RocTel under this Agreement shall be payable by the Customer upon receipt of RocTel's invoice in respect thereof. Payment shall be made by the Customer in full (without any set-off, deductions or withholding whatsoever) by direct debit, cheque or by such other method as may reasonably be specified from time to time by RocTel. Where payment is by direct debit there will be a fourteen (14) day advice period from the date of the invoice prior to the debit being made.

6.9 RocTel shall be entitled to change the Rental, Usage Charges and any other charges payable by the Customer at any time. RocTel shall publish any such changes in its main offices before such changes take effect and in the event of a price increase at least fourteen (14) days before such increase takes effect.

6.10 DEPOSITS

6.10.1 RocTel may require payment from the Customer of a deposit of such amount as RocTel reasonably requires as security for the payment of any charges payable under this Agreement.

6.10.2 RocTel may hold the deposit until receipt from the Customer of all charges due under this Agreement and RocTel reserves the right to use all or part of the deposit in or towards payment of any charges which the Customer is liable to pay under this Agreement. In addition, RocTel shall be entitled to hold the deposit until the Services Equipment has been returned and RocTel is assured that it is in good working order.

6.10.3 RocTel shall repay any deposit held (or the balance of any deposit where any part of it has been used towards the payment of charges) to the Customer upon the expiry of the Minimum Period (or such other period as RocTel may reasonably require) provided that the Customer has paid to RocTel all charges due under this Agreement on the due date(s) for payment of such charges. Notwithstanding repayment of any deposit held, RocTel may at any time thereafter require payment from the Customer of a further deposit as security for the payment of any charges.

6.10.4 In the event of the termination of this Agreement prior to the expiry of the Minimum Period, RocTel shall repay any deposit to the Customer provided that the Customer has paid all charges due under this

Agreement for the Minimum Period (including, without limitation, any charges due under clause 12) and the Services Equipment has been returned in good working order.

6.10.5 Where a deposit or part of a deposit is repaid to the Customer, the Customer will receive interest on such deposit or part thereof in accordance with such formula as RocTel shall notify to the Customer. RocTel shall be entitled to credit the amount of such interest against any charges due from the Customer under this Agreement.

7. ACCEPTANCE

7.1 RocTel shall be responsible for the installation and commissioning of Services and Services Equipment at the Sites. Following such installation and commissioning RocTel shall carry out the Acceptance Tests to establish whether Services are Ready For Service. All such Acceptance Tests shall be carried out in the presence of an authorised representative of the Customer, provided such Customer representative is available at such reasonable times as RocTel may specify. Where

the Customer is receiving Services solely to provide access to the Internet, RocTel shall cooperate with the Customer in connecting the Customer Provided Apparatus to the Internet Network.

7.2 RocTel shall present a written acceptance certificate to the Customer representative when RocTel considers the Acceptance Tests have been successfully concluded and the Customer shall procure that the Customer representative shall countersign such acceptance certificate if the Customer is satisfied that the tests have been so concluded, such signature not to be unreasonably withheld or delayed. In the event that a Customer representative is not available at such reasonable times as RocTel may conduct the Acceptance Tests and where such tests are successfully concluded in RocTel's reasonable opinion then the acceptance certificate shall specify that the Acceptance Tests shall be deemed to have been successfully concluded and Service shall be Ready For Service notwithstanding that the Customer representative has not countersigned the acceptance certificate.

7.3 In the event that Services are not Ready For Service, RocTel shall either replace or repair, at its sole option,

8. TITLE AND RISK 8.1 LEASING

8.1.1 Where RocTel is leasing Services Equipment to the Customer title to the Services Equipment shall not pass to the Customer, and the Customer shall not remove, tamper with or obliterate any identification mark(s) affixed to the Services Equipment or to any part thereof. On all occasions when the ownership of the Services Equipment is in question, the Customer shall make clear to third parties that the same is the property of RocTel and shall ensure that all third parties comply with the provisions of clause 4.9.2.

8.1.2 Where RocTel is leasing Services Equipment to the Customer the Customer shall: (a) be responsible for the Services Equipment whilst it is at the Sites and shall be liable to RocTel for and shall indemnify RocTel against any loss or damage to the Services Equipment (except in so far as it can be shown that any such loss or damage is attributable to the negligent act or omission of RocTel). The Customer shall notify RocTel immediately of any such loss or damage; (b) not permit or suffer any execution or distress to be levied or used against the Services Equipment or permit or suffer the Services Equipment to be seized under or affected by any distress, execution or other legal process; and (c) not attempt to rent, lease, let, sell, charge, assign or otherwise deal with the Services Equipment in a manner prejudicial to RocTel's rights therein.

8.2 PURCHASING

This clause 8.2 shall apply to all equipment (excluding software which shall be provided subject to clause 10 and/or any licence relating specifically to such software) purchased by the Customer under this Agreement (referred to as "the Equipment" in this clause 8.2).

8.2.1 RocTel shall deliver the Equipment to the Customer. Any date agreed for delivery of the Equipment shall be treated as an estimate only and RocTel shall have no liability for any failure to meet such date.

8.2.2 Unless otherwise state, the price for the Equipment shall include delivery to and (if expressly agreed between the parties) installation at the Site within Ireland.

8.2.3 Where the Equipment includes items supplied at prices included in the Order Form, RocTel reserves the right to vary the price to include any changes in RocTel prices occurring and notified to the Customer before delivery of the Equipment. In respect of items whose price is increased, the Customer may cancel its order for the purchase of the Equipment at any time before its delivery.

8.2.4 The Equipment shall from the time of delivery be at the Customer's risk, except as regards loss or damage caused by the willful act or negligence of RocTel.

10.3 INTERNET PROTOCOL ADDRESSES

10.3.1 The Customer acknowledges that any internet protocol address which is allocated to it shall at all times remain the sole property of RocTel and the Customer shall have a non transferable licence to use such address for so long as it remains a Customer. The Customer shall not or attempt to rent, lease, let, sell, charge, assign or otherwise deal with such numbers and/or Access Codes in a manner prejudicial to RocTel's rights therein.

11.2 RocTel shall be entitled, for operational or technical reasons or in order to comply with any numbering scheme or other obligation imposed on RocTel or by the RocTel Licences or any other competent authority, to withdraw any number or Access Codes allocated to the Customer provided that RocTel gives the Customer the maximum period on notice in writing thereof practicable in the circumstances. Upon suspension or termination of this Agreement or if in the opinion of RocTel there are reasonable grounds for believing the Customer has not complied or is not complying with this Agreement RocTel shall have the right to withdraw any number or Access Code forthwith.

12.2.3 The Customer shall reimburse RocTel all costs and expenses incurred by the implementation of such suspension and/or the recommencement of the provision of Services as appropriate arising out of an event referred to in clause 12.2.1, save that this shall not apply where the suspension is implemented otherwise than as a consequence of the breach, fault or omission of the Customer.

12.2.4 If RocTel suspends Services for contravention of clause 5.1, 5.2 or 5.4, it may refuse to restore Services until it receives an acceptable assurance from the Customer that there will be no further contravention.

13.6 Subject to clause 13.3 RocTel shall not be liable to the Customer in respect of any Event of Default for loss of profits, goodwill or corruption or destruction of data or any type of special, indirect or consequential loss (including loss or damage suffered by the Customer as a result of an action brought by a third party) even if such loss was reasonably foreseeable or RocTel had been advised of the possibility of the Customer incurring the same.

13.7 If a number of Events of Default give rise substantially to the same loss then they shall be regarded as giving rise to only one claim under this Agreement.

13.8 The Customer hereby agrees to afford RocTel not less than thirty (30) days (following notification thereof by the Customer) in which to remedy any Event of Default hereunder.

13.9 Except in the case of an Event of Default arising under clause 13.3 RocTel shall have no liability to the Customer in respect of any Event of Default unless the Customer shall have served notice of the same upon RocTel within twelve (12) months of the date it became aware of the circumstances giving rise to the Event of Default or the date when it ought reasonably to have become so aware.

The Customer shall execute any assignment or other instrument which may be necessary to give effect to this provision.

14.2 RocTel will indemnify and hold harmless the Customer against any damages (including costs) that may be awarded or agreed to be paid to any third party in respect of any claim or action that the provision of the Services by RocTel infringes the patent, copyright, registered design or trade mark rights of said third party (an "Intellectual Property Infringement") provided that the Customer: (a) gives notice to RocTel of any Intellectual Property Infringement forthwith upon becoming aware of the same; (b) gives RocTel the sole conduct of the defence to any claim or action in respect of

an Intellectual Property Infringement and does not at any time admit liability or otherwise attempt to settle or compromise the said liability or otherwise attempt to settle or compromise the said claim or action except upon the express instructions of RocTel; and (c) acts in accordance with the reasonable instructions of RocTel and gives to RocTel such assistance as it shall reasonably require in respect of the conduct of the said defence including without prejudice to the generality of the foregoing the filing of all pleadings and other court process and the provision of all relevant documents.
