## Welcome to Your Financial Reset

Most people aren't struggling because they're bad with money—they were never shown a clear system. This guide helps you understand your finances, build a plan, and move forward with confidence.

## Where Are You Financially Right Now?

- Do you know your exact monthly income?
- Do you track your expenses consistently?
- Do you have a working budget?
- Do you feel in control of your money?
- Are you working toward financial goals?

Score Yourself: 0–1 Starting | 2–3 Building | 4–5 Control

## **The 5-Step Financial Clarity System**

1. Know Your Numbers
2. Organize Your Spending
3. Set Clear Goals
4. Build Your Plan
