

ENTRY LEVEL DIVER/Tender

If you like working outdoors, are physically fit, comfortable in and around water. If you got your own dive gear, able to work with hand tools. Are not afraid of physical labor and getting dirty, Dave's Dive Services might be the place for you! Apply Now!

You will need your own dive gear and a positive attitude along with a desire to get quality work done in and out of the water. A successful candidate will be someone in good shape with a blue collar mentality who enjoys physical labor and doesn't mind hard work. The work involves using small tools on a regular basis which requires some mechanical aptitude or related experience.

A successful candidate will be someone who enjoys working outdoors and isn't afraid of inclement weather or physical discomfort. The work involves spending every day in Marinas, around boats, and out on the water. A successful candidate will be someone who loves the water and is able to get along with others, is willing to take instruction, face constructive criticism, and must have a commitment to excellence.

Job details

Job Type: Part and Full-time

Full Job Description

Dave's Dive Service performs underwater maintenance for work and pleasure craft at marinas around the greater Puget Sound area. We are looking for people interested in becoming experts on all aspects of underwater boat maintenance who would like to start a career in this field. Primarily the work involves routine replacement of zincs, cleaning hulls and running gear. Employee will assist with loading the dive cart with appropriate tools, parts and dive equipment and getting it to and from your vehicle to the work sites. Employee will be expected to carefully follow all instructions to the letter. All the work takes place in shallow protected waters. The work does not require advanced diving skills or commercial dive certification.

Starting out, a candidate in training will typically meet at our office in Tacoma to obtain work and supplies for the day. Trainees will be working closely with a senior diver assisting until they can work independently. Employee will need reliable transportation to and from job sites. Employee will also be expected to provide and maintain their own dive gear. Work starts at 8 am and is usually 8 to 10 hour days. be prepared for working in adverse weather conditions. The work can be tedious and physically taxing and requires a high level of fitness and strength.

PAY

Pay is merit based and will depend entirely on your ability and how hard you are willing to work. Raises will be given based on ability to perform required duties. The more work you can perform the more you can earn. We can discuss salary during your interview.

APPLY

Applicants who pass the review process will be invited to a working interview to see what they would be doing in the field. We'll discuss the job with you, and if we both think you have the potential for a career we will consider you as a candidate for a paid trial period.
