AFROSAMBA

A DIALOGUE IN COLOUR, CULTURE AND MOVEMENT

10 YEARS
2016 — 2026

ABUJA x SALVADOR DA BAHIA

THE COLLECTION

MORE THAN FASHION. A CULTURAL CONVERSATION.

AFROSAMBA connects Nigerian Adire and Yoruba heritage with the colour, rhythm and movement of Afro-Brazilian culture, drawing on the energy of Brazil's disco era.

IFFIZI combines African textiles with European-inspired tailoring, creating versatile pieces that move from working days to evenings out. Expressive prints, confident silhouettes and thoughtful details define the collection.

Celebrating IFFIZI's 10th anniversary, AFROSAMBA brings together a decade of design, cultural exchange and the unmistakable spirit of Na Shakara.

SANDRA ALONGE

FOUNDER & CREATIVE DIRECTOR · IFFIZI

Belgian-born and based in Nigeria, Sandra Alonge brings African textiles into conversation with European tailoring. Her designs combine expressive Adire and Ankara prints with confident silhouettes, creating clothes for women across generations and sizes.

Her work in human rights, development and cultural production informs a creative practice rooted in exchange, individuality and the people behind the cloth.

Ten years of IFFIZI. Na Shakara.
