

# THE BODY AS ENERGY VS. THE BODY AS MATTER

*Figure 5.5*

---

When there is a flow of energy moving through the body, just as with a magnet, there is a measurable electromagnetic field surrounding the body. When we're living in survival and we're drawing from the invisible field of energy around the body, we diminish our body's electromagnetic field. In addition, when energy is stuck in the first three survival centers because we are caught in a thinking and feeling loop, then there's less current running through the body and there is less of an electromagnetic field.
