

# IN HONOR OF YOU

## *Mother*

*You filled my days with rainbow lights,  
fairytales and sweet dream nights,  
A kiss to wipe away my tears,  
Gingerbread to ease my fears.  
You gave the gift of life to me,  
And then in love, you set me free.  
I thank you for your tender care,  
for deep warm hugs and being there.  
I hope that when you think of me,  
A part of you, you'll always see.*

**Mom:**  
May all the love you gave to us come back to you a hundred fold on this special day. For all you have done, we should make every day Mother's day. We feel so blessed to have you as our mom. Thanks for always believing in us and doing so much for us. We love you. Our hearts smile when we think of all the things you do for us, our children, and our families. We hope your Mother's Day Celebration is as special as you.

## Super Mom

Mom, you're a wonderful mother,  
So gentle, yet so strong.  
The many ways you show you care  
Always make me feel I belong.

You're patient when I'm foolish;  
You give guidance when I ask;  
It seems you can do most anything;  
You're the master of every task.

You're a dependable source of comfort;  
You're my cushion when I fall.  
You help in times of trouble;  
You support me whenever I call.

I love you more than you know;  
You have my total respect.  
If I had my choice of mothers,  
You'd be the one I'd select!

I was married to my husband over 60 years and my mother in law always made me feel like I was a part of the family.

I feel so fortunate to have had her in my life. She was so much more than what I could have ever hoped for. She was always honest and straightforward, shared hobbies/interests, and had the best stories. She was real and such a valued part of my life. I honor and miss you Georgia Craighead Everett from your daughter-in-law Patricia Everett
