

# Budget Your Business

Use the following chart to budget your business over the next year.

|                   | January | February | March |
|-------------------|---------|----------|-------|
| Total Sales       |         |          |       |
| Sales Cost        |         |          |       |
| Gross Profit      |         |          |       |
| Expenses          |         |          |       |
| Salaries          |         |          |       |
| Payroll Taxes     |         |          |       |
| Advertising       |         |          |       |
| Automobile        |         |          |       |
| Miscellaneous     |         |          |       |
| Insurance         |         |          |       |
| Rent              |         |          |       |
| Total Expenses    |         |          |       |
| Net Profit        |         |          |       |
| Cumulative Profit |         |          |       |

|                   | April | May | June |
|-------------------|-------|-----|------|
| Total Sales       |       |     |      |
| Sales Cost        |       |     |      |
| Gross Profit      |       |     |      |
| Expenses          |       |     |      |
| Salaries          |       |     |      |
| Payroll Taxes     |       |     |      |
| Advertising       |       |     |      |
| Automobile        |       |     |      |
| Miscellaneous     |       |     |      |
| Insurance         |       |     |      |
| Rent              |       |     |      |
| Total Expenses    |       |     |      |
| Net Profit        |       |     |      |
| Cumulative Profit |       |     |      |

|                   | July | August | September |
|-------------------|------|--------|-----------|
| Total Sales       |      |        |           |
| Sales Cost        |      |        |           |
