What Are Cookies:

Cookies are small files stored on your device to improve website performance and personalize your experience.

Types of Cookies:

• Essential cookies – required for basic website functions.

• Analytics cookies – help us understand traffic and user interactions.

• Preference cookies – store user settings such as language.

Third■Party Cookies:

We may use tools like Google Analytics. These providers have their own privacy policies and may process data outside the UAE with appropriate safeguards.

Managing Cookies:

You may disable cookies in your browser settings. Some site functions may not work properly if cookies are disabled.
