About Us

At **SknFx Wound Care**, we believe healing happens best when our patients feel **safe, seen, and supported**.

Founded by Dr. Aranke, **SknFx Wound Care** was created to bring expert, personalized healing directly to your door.

Our Mission

Our mission is to promote optimal health recovery & wellness through expert wound care services.

Our promise is to bring our compassionate wound care expertise to you in the comfort of your own home.

Using **cutting-edge therapies** like **UltraMIST®**, **painless debridement**, and **advanced skin substitutes**, we combine medical innovation with a gentle, reassuring touch.

Whether you're recovering from surgery or managing a chronic condition, we're here to bring **comfort, clarity, and results** – right where you need them most.

The SknFx Standard

Comprehensive Evaluation

We start with a **comprehensive health assessment** to understand the nature and severity of the wound

Tailored, Comfortable Treatments

From debridement to portable wound vac and precision-selected supplies, **our methods prioritize your immediate comfort and your long-term healing**.

Advanced Skin Substitutes

We offer **advanced grafts**—from amniotic membrane to bovine – matched to your medical needs **to optimize healing and enhance** your overall well being.

Frequent, Dedicated Visits

Whether you're approved for one or three visits per week, our team **tailors each visit to your needs** – all while being guided by your referring provider's care plan

Whole-Person Approach

We consider **your full medical history** – from nutrition to chronic conditions and more – to support complete, lasting healing. **We treat both the wound and its root causes.**

The SknFx Difference

Patient satisfaction is our top priority! By bringing our services directly to you, we eliminate the hassle of travel & waiting rooms, allowing you to focus on what matters most – your health and & well being

We want patients with hard to heal wounds to have better quality of life and experience positive outcomes. We want to make your life easier for your care providers. We provide comprehensive education and support to help you understand your condition, learn wound care techniques, and make informed decisions about your health.
